The Lapeer County Drain Commissioner will hold a Day of Review of Apportionments on the above date, time, and location. The Day of Review is an opportunity to review the tentative apportionments of benefit for each parcel and municipality within the Anderson Intercounty Drainage District.

The Drain Commissioner, engineers, and/or other staff members will be available to assist individuals throughout the day and make revisions where necessary. There is no need to schedule an appointment for a specific time on the Day of Review. The computation of costs for the Drain will also be available at the Day of Review. Drain assessments are collected in the same manner as property taxes and will appear on your Winter Tax bill. If drain assessments are being collected for more than one (1) year, you may pay the assessment in full with any interest to date at any time and avoid further interest charges.

Persons with disabilities needing accommodations for effective participation in the Day of Review should contact the Drain Commissioner's Office at the number noted above (voice) or through the Michigan Relay Center at 7-1-1 (TDD) at least 24 hours in advance of the Day of Review to request mobility, visual, hearing, or other assistance.

Comments on the apportionment of benefits may be submitted to the Drain Commissioner in writing before the date of the Day of Review to the Lapeer County Drain Commissioner at 255 Clay Street, Lapeer, Michigan 48446 or to tsuter@lapeercounty.org, or comments may be submitted in writing or verbally at the Day of Review. Comments submitted in advance must be received by the Drain Commissioner prior to the Day of Review to ensure consideration.
